

A4 BROCHURES 210 x 297mm

Trim

This red line represents the actual cut size of the final design, as indicated on the artwork file size.

Safe Zone

The Safe Margin is at least 4mm from the trim edge. Do not place important text or images beyond the dashed line to prevent trimming.

Bleed

Extend your artwork to the edge of template if you want your design to extend to the edge of your final prints.

Please save your artwork without the red and green frames.

Final size: 210 x 297mm

With bleed: 214 x 301mm
